

MIC Program Fact Sheet

Updated: October 25, 2006

The Miami Intermodal Center (MIC) will be similar to New York's Grand Central Station and other multimodal facilities that can be found in many world-class cities, offering easy connections to several forms of transportation. The MIC will provide safe and efficient transfers for users of various rail systems, buses, taxis, rental cars, privately owned automobiles, bicycles and pedestrians. The MIC is being developed in phases with the first scheduled for completion within the next five years. The MIC Roadways Program has been developed to provide direct, enhanced connections to and from nearby expressways (SR 836 and SR 112) and the local roads serving the Rental Car Facility, the Central Station (MIC Core) and Miami International Airport. Some roadway improvements have already been completed in order to ensure safe and efficient access to the area for businesses and the traveling public while the first phase of the MIC is under construction. **The reconstruction of Northwest 14 Street has been completed and was done to alleviate flooding and drainage problems and improve the flow of traffic along this widely traveled roadway.**

BEFORE

AFTER

Project Limits:

- Northwest 14 Street between NW 34 Avenue and NW 42 Court

Construction Start – End Dates:

- July 8, 2003 – March 12, 2004

Project Benefits:

During heavy rains, this road was known to have severe flooding issues. Milling and resurfacing as well as drainage improvements will alleviate those conditions along this very congested corridor and improve traffic flow in the area.

Scope of Work:

- Reconstruction, milling and resurfacing of NW 14 Street between NW 34 Avenue and NW 42 Court on a 1.0 mile stretch of roadway paralleling SR 836 (Dolphin Expressway)
- Drainage, sidewalk and curb and gutter construction
- Pump station at 37 Avenue
- Signalization improvements at NW 14 Street intersections with 42 and 37 Avenues
- Lighting improvements along NW 14 Street
- Intelligent Transportation System underground construction along NW 14 Street
- Landscaping along NW 14 Street
