**BIG PROJECTS:** The Greater Miami Chamber of Commerce's Transportation and Infrastructure Committee will host a discussion May 8 on two of Miami's major transportation initiatives: the Metrorail link to Miami International Airport and the related Miami Central Station project. **Albert A. Hernandez**, assistant director of engineering, planning and development for Miami-Dade Transit, is to discuss the Metrorail project. **Carl Filer**, the Florida Department of Transportation's program manager for the Miami Intermodal Center, is to discuss the Miami Central Station work. The program begins at noon at the chamber's ballroom at 1601 Biscayne Boulevard. *Details: (305) 577-5491.*
