### **N.W. 12<sup>th</sup> STREET DRIVE (Connector between LeJeune Road and SR-836 Westbound) WILL BE PERMANENTLY CLOSED EFFECTIVE MONDAY, MAY 15<sup>th</sup>, 2006**

Miami-Dade County – Construction of the LeJeune Road Reconstruction Projects – Package 2 continues on schedule and will require the **permanent closure of NW 12<sup>th</sup> Street Drive (connector between LeJeune Road (NW 42<sup>nd</sup> Avenue) to SR-836 Westbound On-Ramp at NW 45<sup>th</sup> Avenue effective Monday, May 15<sup>th</sup>, 2006.** This closure is necessary for the construction of a new drainage system and connection of the roadway exit from the newly constructed LeJeune Southbound Collector Distributor (CD) Road that will connect Miami International Airport to Southbound LeJeune Road and also Westbound SR-836 on-ramp at NW 45<sup>th</sup> Avenue. Commuters should follow the new traffic pattern and use NW 14<sup>th</sup> Street from LeJeune Road Southbound to NW 45<sup>th</sup> Avenue to access SR-836 Westbound On-Ramp. This construction is part of the Miami Intermodal Center (MIC) Roadways Program designed to provide direct access roads linking SR-836, the Rental Car Facility, the Central Station and the Miami International Airport. In addition, these projects will improve traffic operations on LeJeune Road resulting in reduced traffic congestion on one of the area's busiest corridors.

*Thank you for your patience while we work to improve the roadways in this area. For more information about construction impacts, please contact the MIC Senior Comprehensive Community Awareness Program Coordinator, Liz Fernandez at (305) 219-9039, [lfernandez@c3ts.com](mailto:lfernandez@c3ts.com), or the MIC CAP Office at (305) 870-7888.
