CONSTRUCTION ACTIVITIES UPDATE

Construction Activity No. 1:

Intersection of State Road 953/NW 42nd Avenue (LeJeune Road) and NW 14th Street

Commencing Friday, February 7, 2004 through Monday, February 9, 2004, there will be intermittent lane closures at the intersection of NW 42nd Avenue (LeJeune Road) and NW 14th Street. Two lanes will be temporarily closed in each direction (northbound and southbound). These closures will be during non-peak hours from **9:00 p.m. to 5:30 a.m.** Traffic will be diverted around the work area. This closure is due roadway restoration activities for the NW 14th Street Reconstruction Project. This work will be performed by APAC Construction for FDOT.

*Nearby business interests and residents affected by construction of the **Miami Intermodal Center** and other nearby construction projects will receive periodic Maintenance of Traffic (MOT) bulletins giving road closure information and suggesting alternate routes. This information is being provided by the **One Stop Shop Traffic Information Program** sponsored by the **Florida Department of Transportation** and its partnering agencies Miami-Dade County, Miami-Dade Aviation Department, Miami International Airport, Miami-Dade Expressway Authority, Tri-Rail, Miami-Dade Transit, Miami-Dade Office of Public Transportation Management, Cities of Miami, Hialeah, Miami Springs and Virginia Gardens, and local Utilities.
