CONSTRUCTION ACTIVITIES UPDATE

Temporary Lane Closure on Miami International Airports Exit Ramp on Eastbound Central Boulevard (NW 21st Street):

Commencing Tuesday, November 9, 2004 at 9:00 PM until Wednesday, November 10, 2004 at 5:00 AM:

As part of the Miami Intermodal Center Program, one eastbound lane on Miami International Airport's Exit Ramp on Eastbound Central Boulevard (NW 21st Street) to Eastbound SR 112, SR-953/LeJeune Road (NW 42nd Avenue) North and Southbound will be temporarily closed. One eastbound lane will remain open to traffic. This temporary closure is necessary for the inspection of the sheet pile wall for construction of a future bridge connection to the MIC. This activity will be performed by EBSARY Foundation for Turner Construction. Electronic Arrows will be in place advising commuters of lane closure.
