October 28, 2004

CONSTRUCTION ACTIVITIES UPDATE

TEMPORARY NIGHTTIME LANE CLOSURES ON LEJEUNE ROAD (NW 42ND AVENUE) AND NW 31ST STREET:

Commencing Friday, November 5, 2004 through Wednesday, November 17, 2004: As part of the Miami Intermodal Center Program, one southbound lane just north of NW 31st Street on LeJeune Road will be temporarily closed. In addition, traffic will be shifted to one lane on SR-112 exit ramp to southbound LeJeune Road. There will also be intermittent lane closures of the through lane and left turn lanes on westbound NW 31st Street at the intersection of LeJeune Road. **Lane Closures will occur during nighttime hours only from 9:00 PM to 5:30 AM.** These closures are being done at night in order to lessen the impacts to the traveling public. Crews will be completing the installation of the 16" watermain and cross-section work along LeJeune Road. This work is being performed by Solo Construction (Turner Construction) on behalf of the Florida Department of Transportation.

*Nearby business interests and residents affected by construction of the **Miami Intermodal Center** and other nearby construction projects will receive periodic Maintenance of Traffic (MOT) bulletins giving road closure information and suggesting alternate routes. This information is being provided by the **One Stop Shop Traffic Information Program** sponsored by the **Florida Department of Transportation** and its partnering agencies Miami-Dade County, Miami-Dade Aviation Department, Miami International Airport, Miami-Dade Expressway Authority, Tri-Rail, Miami-Dade Transit, Miami-Dade Office of Public Transportation Management, Cities of Miami, Hialeah, Miami Springs and Virginia Gardens, and local Utilities.
