Maintenance of Traffic Bulletin #158

November 1, 2004

CONSTRUCTION ACTIVITIES UPDATE

LANE SHIFTS AT THE ENTRANCE/EXIT OF TRI-RAIL'S MIAMI AIRPORT STATION LOCATED AT NW 21ST STREET AND NW 38TH AVENUE:

Commencing Monday, November 8, 2004 through Monday, November 22, 2004: Motorists are urged to use caution when entering or exiting the Tri-Rail Parking Lot on N.W. 21 Street as entrance and exit lanes will be narrowed and shifted due to construction work adjacent to those lanes. These lane shifts are required for remedial activities in association with the development of the Miami Intermodal Center (MIC). The remedial activities will include clearing and preparing the work area for construction and the excavation of the buried solid wastes. The entrances to the Tri-Rail parking lots will remain accessible to the public. This work is being performed by WRS Infrastructure & Environment, Inc. on behalf of the Florida Department of Transportation.
