CONSTRUCTION ACTIVITIES UPDATE

Construction Activity No. 1:

Temporary Nighttime Closure of NW 21st Street between the North and Southbound Airport Ramps to LeJeune Road and NW 37th Avenue:

On Tuesday morning (March 15th, 2005), from about 2:00 A.M. to 4:00 A.M.: As part of the Miami Intermodal Center's MTAR Project, both East and Westbound traffic on NW 21 Street between the north and southbound airport ramps to LeJeune Road and NW 37th Avenue will be completely closed. All through traffic should use NW 25th Street and NW 37th Avenue as a detour to avoid the area. The contractor will be moving heavy equipment across the street during this time. This work is being done by Case Atlantic (Turner Construction) on behalf of the Florida Department of Transportation.
