Friday, August 18th, 2006 from 8:00 P.M. to Saturday, August 19, 2006 at 1:00 P.M.: As part of the Miami Intermodal Center MTAR Project, crews will be completing the final paving operations on NW 25th Street, between NW 37th Avenue (Douglas Road) and NW 42nd Avenue (LeJeune Road). This paving operation will require intermittent lane closures/shifts while workers complete the final paving and re-striping of the roadway. Flagmen will direct traffic around the work zone. **In addition, the eastbound lane on NW 25th Street from LeJeune Road to NW 38th Court will be closed during this operation. Eastbound traffic will be detoured through NW 26th Street.** Once paving and striping is complete, eastbound and westbound traffic will be shifted onto new roadway. Motorists should anticipate delays while traveling through this area. An off-duty police officer will be on site to assist with traffic. Work will be performed by Turner Construction (Community Asphalt) on behalf of the Florida Department of Transportation.

Cierre de Carrileras para Trabajos de Pavimentación en la Calle 25 del NW entre la Avenida 37 del NW (Douglas Road) y la Avenida 42 del NW (LeJeune Road):

Este trabajo de pavimentación requerirá cierres intermitentes de carrileras así como cambios de carrileras mientras que los obreros finalizan la pavimentación y la pintura de las líneas divisorias. Personas con banderas direccionales dirigirán el tráfico dentro de la zona de construcción. **Conjuntamente con este cierre, la vía rumbo este en la Calle 25 del NW entre la Avenida 42 del NW (LeJeune Road) y la 38 Court del NW se mantendrá cerrada. El tránsito rumbo este será desviado por la Calle 26 del NW.** Una vez terminada la pavimentación, el tráfico rumbo este y oeste será movido al nuevo pavimento. Habrá demoras dentro de la zona de construcción. La Policía estará en la zona para asistir con el tránsito. El trabajo lo llevará a cabo Turner Construction (Community Asphalt) para el Departamento de Transporte de la Florida.
