NW 24 Street Permanently Closed Between LeJeune Road & 39 Avenue

Effective immediately, Northwest 24 Street between LeJeune Road and 39 Avenue is permanently closed to vehicular traffic to make way for construction of the Miami Intermodal Center's Rental Car Facility. Access is only allowed to the MIC Program trailer and construction site. Drivers in the area should seek alternate routes on NW 25, 26, 27 and 28 Streets.

The Rental Car Facility is the first major structure of the MIC Program. Designed to house all the rental car companies now doing business at the airport and many of those located nearby, it will be a 3.9 million square foot facility covering 20 acres on each of four floors.
