A Project of the
Florida Department of Transportation

**Sidewalk Along LeJeune Road
Closed Between NW 14 Street and NW 18 Street**

Effective immediately: The sidewalk along LeJeune Road from NW 14 Street to NW 18 Street is closed to pedestrian traffic due to demolition of buildings to make way for extensive roadway improvements. A pedestrian detour can be made by turning west at the point of closure on NW 14 Street and continuing to NW 42 Court, turning north to NW 18 Street, then turning east and returning to LeJeune Road.

This closure is expected to be effective until demolition of all buildings is complete, now estimated to be around October 1, 2002.
