CONSTRUCTION ACTIVITY #1:

Temporary Traffic Shift on NW 37 Avenue (Douglas Road) between NW 21 Street and NW 25 Street:

Commencing Tuesday, June 22, 2010 through Thursday, June 24, 2010 from 9:00 P.M. to 5:30 A.M. (Nightly): As part of the utility pre-work for the construction of the future Miami Central Station (MCS), crews will be placing barrier wall along the median of NW 37th Avenue (Douglas Road) between NW 21 Street and NW 25 Street to secure the work zone for the upcoming installation of the new 16” watermain which will improve the water service in the area. Northbound and Southbound traffic on Douglas Road will then be shifted to the East. One lane in each direction will remain open at all times. In addition, access to businesses will be maintained. **This new traffic pattern will be in place for approximately 8 weeks while crews complete the installation of the watermain.** Work will be performed by Turner Construction (Ramtech) on behalf of the Florida Department of Transportation.

*Nearby business interests and residents affected by construction of the **Miami Intermodal Center** and other nearby construction projects will receive periodic Maintenance of Traffic (MOT) bulletins giving road closure information and suggesting alternate routes. This information is being provided by the **One Stop Shop Traffic Information Program sponsored by the Florida Department of Transportation** and its partnering agencies Miami-Dade County, Miami-Dade Aviation Department, Miami International Airport, Miami-Dade Expressway Authority, Tri-Rail, Miami-Dade Transit, Miami-Dade Office of Public Transportation Management, Cities of Miami, Hialeah, Miami Springs and Virginia Gardens, and local Utilities. Thank you for your patience while we work to improve the roadways in this area. For more information about construction impacts, please contact the **MIC CAP Office** at (305) 870-7888; Project Field Office, 3845 NW 25th Street, Miami, Florida 33142. Motorists are encouraged to call 511 before they drive, or log on to www.fl511.com for real-time traffic and lane closure information. For additional information about the MIC Program, please go to www.micdot.com or contact the MIC Public Affairs Program Manager, Ric Katz at (305) 573-4455.*
