CONSTRUCTION ACTIVITY #1:

Temporary Nighttime Full Closure of NW 37 Avenue (Douglas Road) from NW 25 Street to NW 28 Street:

Beginning **Monday, Aug. 23 to Thursday, Aug. 26, 2010**, NW 37 Avenue (Douglas Road) from NW 25 Street to NW 28 Street will be closed each night from 9:00 p.m. to 5:30 a.m. Drivers should follow the posted detour signs along NW 25 Street and NW South River Drive. This closure is necessary for the installation of the new 16" water main along NW 37 Avenue (Douglas Road) which will service the future **Miami Central Station (MCS)** and will improve the water service in the area. Work will be performed by Turner Construction (Ramtec) on behalf of the Florida Department of Transportation.

*Nearby business interests and residents affected by construction of the **Miami Intermodal Center** and other nearby construction projects will receive periodic Maintenance of Traffic (MOT) bulletins giving road closure information and suggesting alternate routes. This information is being provided by the **One Stop Shop Traffic Information Program** sponsored by the **Florida Department of Transportation** and its partnering agencies Miami-Dade County, Miami-Dade Aviation Department, Miami International Airport, Miami-Dade Expressway Authority, Tri-Rail, Miami-Dade Transit, Miami-Dade Office of Public Transportation Management, Cities of Miami, Hialeah, Miami Springs and Virginia Gardens, and local Utilities. Thank you for your patience while we work to improve the roadways in this area. For more information about construction impacts, please contact the **MIC CAP Office** at (305) 870-7888; **Project Field Office**, 3845 NW 25th Street, Miami, Florida 33142. Motorists are encouraged to call 511 before they drive, or log on to www.fl511.com for real-time traffic and lane closure information. For additional information about the MIC Program, please go to www.micdot.com or contact the MIC Public Affairs Program Manager, Ric Katz at (305) 573-4455.*
