CONSTRUCTION ACTIVITY #1:

Temporary Nighttime Full Closure of NW 37 Avenue (Douglas Road) from NW 21 Street to NW 25 Street:

Beginning **Monday, Oct. 4 through Thursday, Oct. 7, 2010 and again on Monday, Oct. 11 through Thursday, Oct. 14, 2010**, NW 37 Avenue (Douglas Road) from NW 21 Street to NW 25 Street will be closed each night from 9:00 p.m. to 5:30 a.m. Drivers should follow the posted detour signs along NW 25 Street, NW 21 Street and NW South River Drive. This closure is necessary for paving and striping the roadway along NW 37 Avenue (Douglas Road). Work will be performed by Turner Construction (Ramtec) on behalf of the Florida Department of Transportation.

CONSTRUCTION ACTIVITY #2:

On-Site Demolition Work for future Miami Central Station

On **Monday, Oct. 4, 2010**, the Florida Department of Transportation will begin the demolition of the old Hertz building acquired by the Department under the Miami Intermodal Center Program located just east of NW 38th Court and NW 21st Street. All hazardous materials such as lead and asbestos have been safely removed and the main structure is now ready for demolition. This is being done in preparation for the continued construction of the future Miami Central Station. The demolition work is expected to take approximately 60 days to complete. All demolition work will take place within the properties' boundaries. The materials arising from the demolition will be transported in dump trucks to designated landfill or recycling sites as appropriate. This operation will be performed as a wet demolition process in order to control dust as best as possible.

*Nearby business interests and residents affected by construction of the **Miami Intermodal Center** and other nearby construction projects will receive periodic Maintenance of Traffic (MOT) bulletins giving road closure information and suggesting alternate routes. This information is being provided by the **One Stop Shop Traffic Information Program sponsored by the Florida Department of Transportation** and its partnering agencies Miami-Dade County, Miami-Dade Aviation Department, Miami International Airport, Miami-Dade Expressway Authority, Tri-Rail, Miami-Dade Transit, Miami-Dade Office of Public Transportation Management, Cities of Miami, Hialeah, Miami Springs and Virginia Gardens, and local Utilities. Thank you for your patience while we work to improve the roadways in this area. For more information about construction impacts, please contact the **MIC CAP Office** at (305) 870-7888; Project Field Office, 3845 NW 25th Street, Miami, Florida 33142. Motorists are encouraged to call 511 before they drive, or log on to www.fl511.com for real-time traffic and lane closure information. For additional information about the MIC Program, please go to www.micdot.com or contact the MIC Public Affairs Program Manager, Ric Katz at (305) 573-4455.*
