CONSTRUCTION ACTIVITIES UPDATE

Temporary Closure of the Intersection at NW 37th Avenue (Douglas Road) and NW 14th Street

From Wednesday, October 15, 2003 at 9:00 p.m. until Thursday, October 16, 2003 at 5:30 a.m. the intersection at NW 37th Avenue (Douglas Road) and NW 14th Street will be temporarily closed. This temporary closure will be necessary in order to provide a well system for the drainage lines that will be installed during the following weekend. This well system is being installed to dewater the roadway as a safety precaution for the traveling public prior to the installation of the new drainage system. Local businesses and residential access will be maintained on the affected roadways. Southbound thru traffic on NW 37th Avenue should turn left at NW 14th Terrace, turn right at NW 34th Avenue, go straight until NW 11th Street and turn right to go back onto NW 37th Avenue. Northbound thru traffic on NW 37th Avenue should turn right at NW 11th Street, turn left at NW 34th Avenue, go straight until NW 14th Terrace and turn left to go back onto NW 37th Avenue. Crew working hours will be from 9:00 p.m. to 5:30 a.m. This activity will be performed by APAC Construction for FDOT. An off-duty police officer will be on site and Variable Message Signs (VMS) will be in place advising commuters of detours and intersection closures. **This closure will again occur on Friday, October 17, 2003.**
