

A Project of the
Florida Department of Transportation

MIAMI INTERMODAL CENTER COMPREHENSIVE COMMUNITY AWARENESS PROGRAM

Maintenance of Traffic Bulletin #89 **November 11, 2003**

NIGHTTIME LANE CLOSURES ON STATE ROAD 953/NW 42ND AVENUE (LEJEUNE ROAD) AT THE INTERSECTIONS OF NW 25TH STREET AND NW 26TH STREET

Commencing Tuesday, November 11, 2003 at 10:00 p.m. through Thursday, November 13, 2003 at 5:30 a.m.: As part of the Miami Intermodal Center Program, there will be intermittent lane closures on SR-953/NW 42nd Avenue (LeJeune Road) at the intersections of NW 25 Street and NW 26 Street **during non-peak hours from 10:00 P.M. to 5:30 A.M.** These lane closures are due to the installation of an underground conduit by BellSouth Telecommunications, Inc (Mastec North America). **This work will be performed during weeknights in order to lessen the impact on the traveling motorists.** Variable Message Signs (VMS) will be in place to detour traffic.

*Nearby business interests and residents affected by construction of the **Miami Intermodal Center** and other nearby construction projects will receive periodic Maintenance of Traffic (MOT) bulletins giving road closure information and suggesting alternate routes. This information is being provided by the **One Stop Shop Traffic Information Program sponsored by the Florida Department of Transportation** and its partnering agencies Miami-Dade County, Miami-Dade Aviation Department, Miami International Airport, Miami-Dade Expressway Authority, Tri-Rail, Miami-Dade Transit, Miami-Dade Office of Public Transportation Management, Cities of Miami, Hialeah, Miami Springs and Virginia Gardens, and local Utilities.*

*Thank you for your patience while we work to improve the roadways in this area. For more information about construction impacts, please contact the **MIC Senior Comprehensive Community Awareness Program Coordinator, Liz Fernandez** at (305) 219-9039, lfernandez@c3ts.com, or the MIC CAP Office at (305) 870-7888. For additional information about the MIC Program, please go to www.micdot.com or contact the MIC Public Affairs Program Manager, Ric Katz at (305) 573-4455.*

Traffic and Travel Info

SAVE TIME, PLAN AHEAD!

Before you drive, call 511 for real-time traffic reports and major highway construction information in Miami-Dade, Broward and Palm Beach Counties or visit us at smartroute.com.

The above information is subject to change if the contractor's schedule is altered due to unexpected circumstances.
