### **NW 21 Street from NW 37 Avenue (Douglas Road) to NW 38 Court:**

**Beginning Wednesday, May 30 at 7 a.m. through Friday, June 8 at 3:30 p.m.** – One westbound lane on NW 21 Street between NW 37 Avenue and NW 38 Court will be continuously closed. One westbound travel lane and access to businesses will be maintained at all times. Crews need to close the lane to complete the construction of a new turn lane into the rail station and new median in the middle of NW 21<sup>st</sup> Street. Work will be performed by Turner Construction on behalf of the Florida Department of Transportation.

### **Full Closure of NW 25 Street from NW 38 Court to NW 37 Avenue (Douglas Road):**

**Beginning, Friday, June 1 at 7 a.m. and ending Friday, November 30 at 3:30 p.m.**, all eastbound and westbound lanes on NW 25 Street, between NW 38 Court and NW 37 Avenue, will be completely closed 24 hours a day. This closure is necessary for the relocation of the 16” water main, reconstruction of the railroad crossing and roadway improvements to NW 25 Street. Detour routes are as follows:

- NW 37 Avenue Northbound:
  - Continue north to NW 28 Street
  - Turn right on NW 28 Street
  - Turn left on S River Drive
  - Turn left on NW 31 Street
  - Turn left on NW 42 Avenue (LeJeune Road)
  - Turn left on NW 25 Street
  
- NW 25 Street Eastbound:
  - Turn left on NW 39 Avenue
  - Turn left on NW 27 Street
  - Turn right on NW 42 Avenue (LeJeune Road)
  - Turn right on NW 31 Street
  - Turn Right on S River Drive
  - Turn right on NW 25 Street

**Please note that this schedule may change due to bad weather or other unforeseen conditions. Motorists are encouraged to call 511 before they drive, or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information.**

---

*The Miami Central Station (MCS) is a major structure of the Miami Intermodal Center (MIC) Program that will serve as Miami-Dade County's first ground transportation hub. Construction of the MCS began in September 2011, and it is anticipated to open in fall 2013. For additional information about the MIC Program, please go to [www.micdot.com](http://www.micdot.com).*
