NW 25TH STREET AT LEJEUNE ROAD RE-OPENED TO TRAFFIC

Miami-Dade County – May 9, 2007: Crews completed the paving operations on NW 25th Street and the road was re-opened to traffic just after noon today. The new roadway configuration will provide for Westbound NW 25th Street - two right turns onto Northbound LeJeune Road. Westbound NW 25th Street Left Turn onto LeJeune Southbound was permanently removed.

All traffic wishing to head South on LeJeune Road will need to turn right on LeJeune Road and head North until NW 31st Street and make a u-turn to continue in the Southbound direction. In addition, once construction of the new intersection at NW 28th Street and LeJeune Road is complete, commuters will also be able to turn left on NW 28th Street to continue in the southbound direction on LeJeune Road.
