### NEW TRAFFIC PATTERN FOR NORTHBOUND SR-953/LEJEUNE ROAD (NW 42<sup>nd</sup> AVENUE) BETWEEN NW 14<sup>TH</sup> STREET AND NW 25<sup>TH</sup> STREET DUE TO OPENING OF LEJEUNE ROAD NORTHBOUND COLLECTOR DISTRIBUTOR ROAD (CD FRONTAGE ROAD)

**Miami-Dade County – On Sunday, December 9, 2007**, the Florida Department of Transportation (FDOT) opened the newly constructed LeJeune Road Northbound Collector Distributor Road (CD frontage road) and Entrance into Miami International Airport with direct access from SR-836 just north of NW 14<sup>th</sup> Street. Based on the new roadway design, commuters should be aware of the newly updated traffic pattern outlined below:

#### New Updated Traffic Pattern:

**Traffic on Northbound LeJeune Road wishing to access the entrance into Miami International Airport (MIA)** should stay right and enter the CD frontage road located just north of NW 14<sup>th</sup> Street.

**Should you pass the entrance to MIA**, please proceed on LeJeune Northbound to NW 26<sup>th</sup> Street, turn right and continue on NW 26<sup>th</sup> Street which merges into NW 38<sup>th</sup> Court until you reach the signal at NW 25<sup>th</sup> Street, turn left and continue to NW 37<sup>th</sup> Avenue (Douglas Road), turn right and continue to NW 21<sup>st</sup> Street, and turn right to enter Miami International Airport.

**SR-836 traffic wishing to access MIA** should exit at Northbound LeJeune Road, stay right on the CD frontage road and proceed to the on-ramp into the MIA. **All non-airport traffic exiting SR-836** should merge left onto the Northbound LeJeune Road exit.

**“No Right Turn” permitted on NW 25<sup>th</sup> Street from Northbound LeJeune Road: LeJeune Road Northbound Traffic wishing to access businesses on NW 25<sup>th</sup> Street**, will need to proceed on LeJeune Road Northbound to NW 26<sup>th</sup> Street, turn right and continue to NW 39<sup>th</sup> Avenue, turn right and continue to NW 25<sup>th</sup> Street, and turn right or left to access the businesses on NW 25<sup>th</sup> Street. **Traffic exiting MIA’s Exit #3 to Northbound LeJeune will be permitted to turn right on NW 25<sup>th</sup> Street or continue through on LeJeune Road.**

Construction of the LeJeune Road Northbound Collector Distributor (CD) Road consisted of the realignment of LeJeune Road from SR-836 to NW 21<sup>st</sup> Street, which ties-in the three-lane one-way frontage road connecting existing SR-836 traffic and Northbound LeJeune Road directly into the Miami International Airport. This component completes a portion of Phase I of the Miami Intermodal Center (MIC) Roadways Program which will improve traffic operations on LeJeune Road resulting in reduced traffic congestion on one of the area’s busiest corridors in addition to greatly improving the traffic flow exiting Miami International Airport. For more information on the Miami Intermodal Center Program, please visit the website at [www.micdot.com](http://www.micdot.com) or contact the Community Awareness Program Office at 305-870-7888.
