N.W. 39TH AVENUE FROM N.W. 21ST STREET TO N.W. 25TH STREET WILL BE PERMANENTLY CLOSED EFFECTIVE JANUARY 15, 2004

Miami-Dade County – Construction of the first phase of the Miami Intermodal Center (MIC) Program continues on schedule and will require the **permanent closure of NW 39th Avenue from N.W. 21st Street to N.W. 25th Street effective January 15, 2004**. This closure is due to the construction of the entrance for the Rental Car Facility and Central Station to be located at the new intersection of NW 38th Court and NW 21st Street. This phase includes the continuation of the construction of the consolidated **Rental Car Facility** which will co-locate rental car companies currently operating at the airport and many now located adjacent to the airport, together with the construction of the **Central Station**, which will connect local and regional means of transportation to Miami International Airport via the MIC/MIA Connector (automated people mover). The **Rental Car Facility** will be located adjacent to the **Central Station** in an area bounded by NW 25th Street on the north, NW 38th Court on the east, NW 21st Street on the south and LeJeune Road on the west. The **Central Station area** will be located in the area bounded by NW 25th Street on the north, NW 37th Avenue on the east, NW 21st Street on the south and NW 38th Court on the west.

Maintenance of Traffic: The present traffic going northbound on N.W. 39th Avenue from N.W. 21st Street will be detoured through N.W. 37th Avenue northbound and onto westbound N.W. 25th Street. Traffic going southbound on N.W. 39th Avenue from N.W. 25th Street will be detoured through N.W. 37th Avenue southbound and onto westbound N.W. 21st Street. In addition, the entrance to the Tri-Rail parking lot on N.W. 39th Avenue will also be permanently closed. Access to and from Tri-Rail will be through N.W. 21st Street. **Variable Message Signs will be posted two weeks in advance advising commuters of the permanent closure to N.W. 39th Avenue.**

*Thank you for your patience while we work to improve the roadways in this area. For more information about construction impacts, please contact the **MIC Senior Comprehensive Community Awareness Program Coordinator, Liz Fernandez** at (305) 219-9039, lfernandez@c3ts.com, or the MIC CAP Office at (305) 870-7888. For additional information about the MIC Program, please go to www.micdot.com or contact the MIC Public Affairs Program Manager, Ric Katz at (305) 573-4455.*
